Fully Supervised

Professional

Attention to Detail

Takes Pride

Clean Sweep is a profit center for The Threshold and 75% of staff have a disability.

With over 30 years' experience in the industry, we clean with detail in mind.

We go the extra mile and clean things like exterior and interior doors, carpets and glass are spot cleaned, telephones are disinfected and fingerprints are removed from doors and light switches.

We do not cut corners or rush through the cleaning process.

We provide quality, on-time work.

We take pride in our reputation!

Give us a call and help individuals with disabilities earn a paycheck!

There is no contract to sign-your satisfaction is the only contract we need!
